

Front / Back (2)

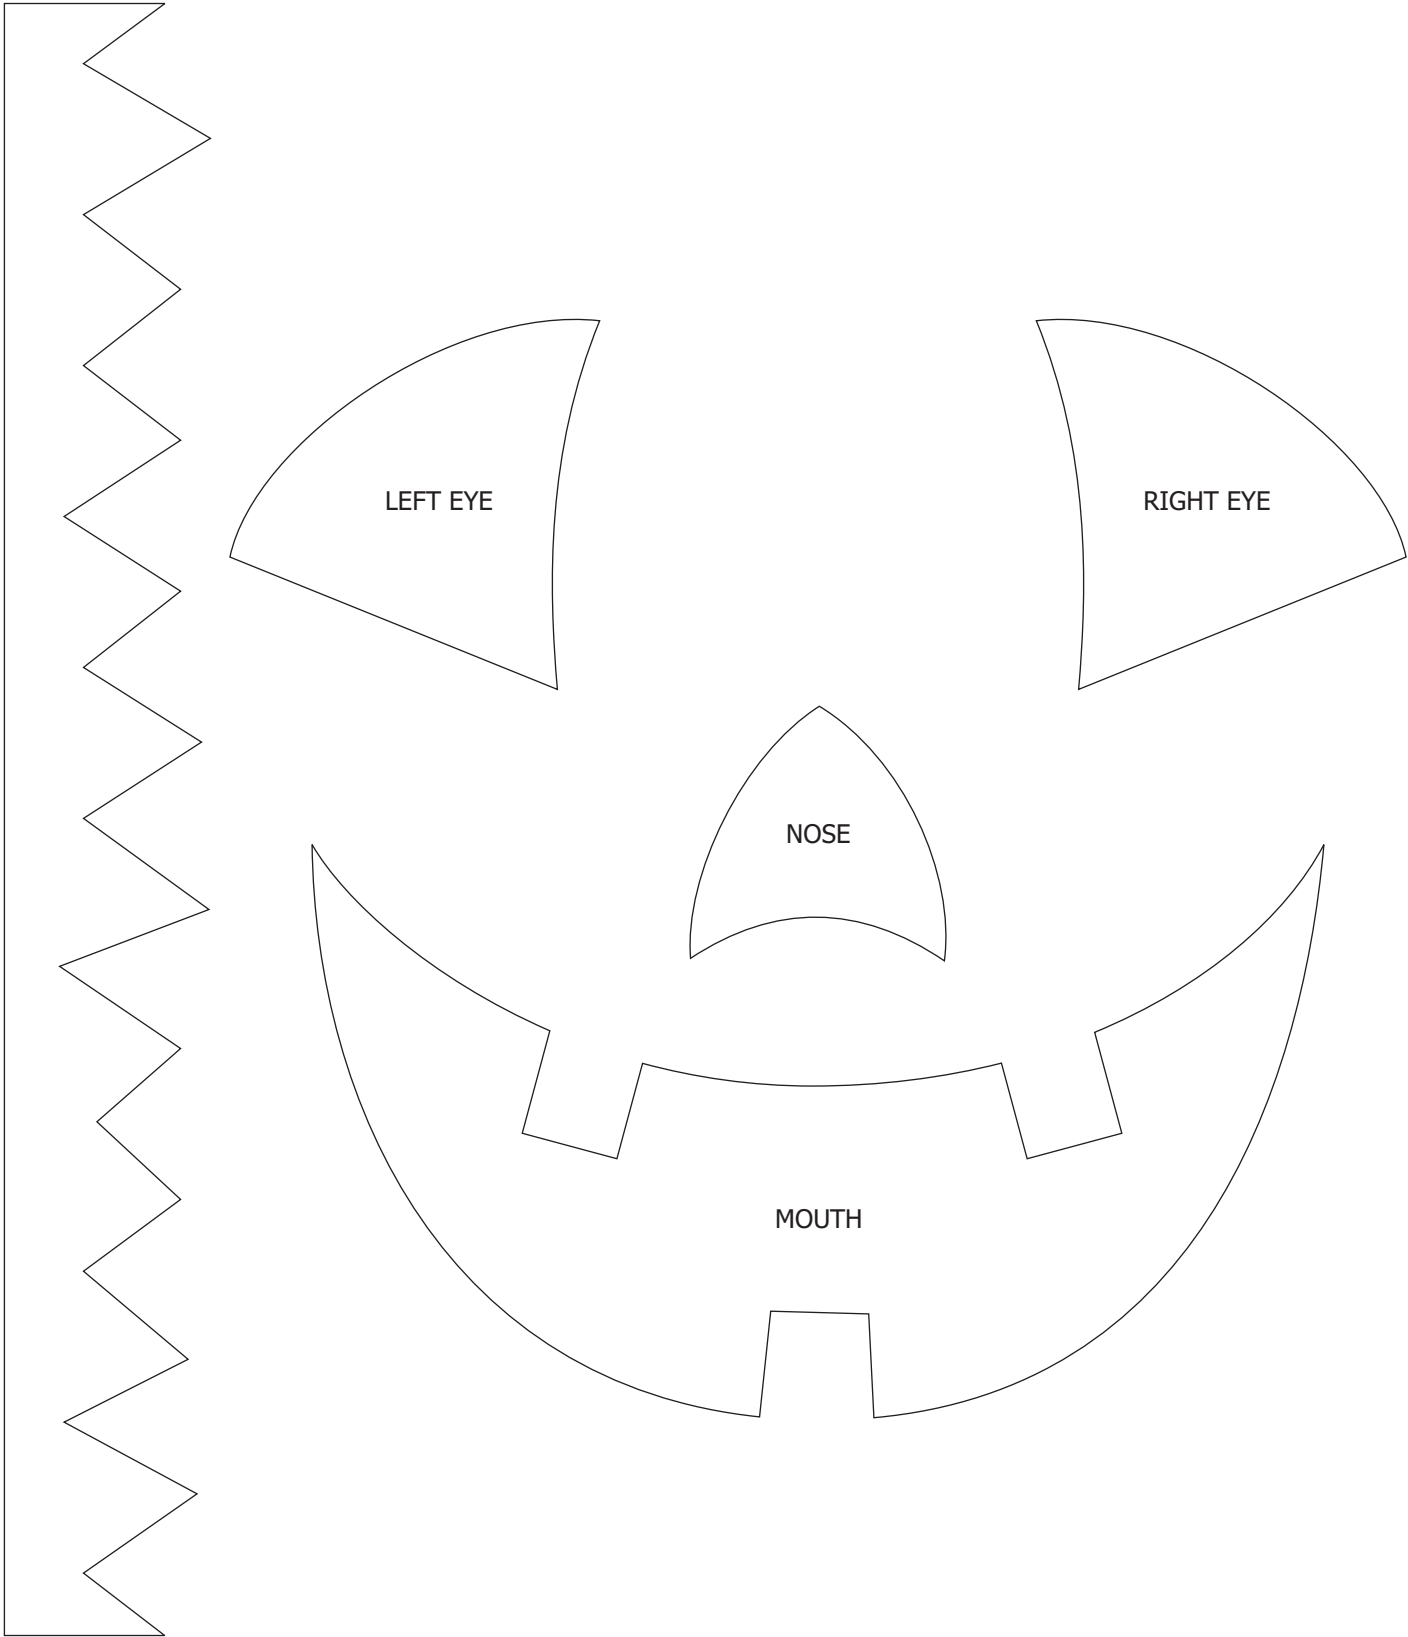

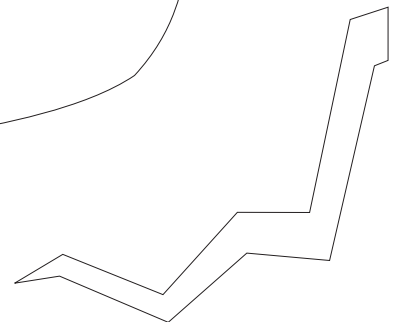

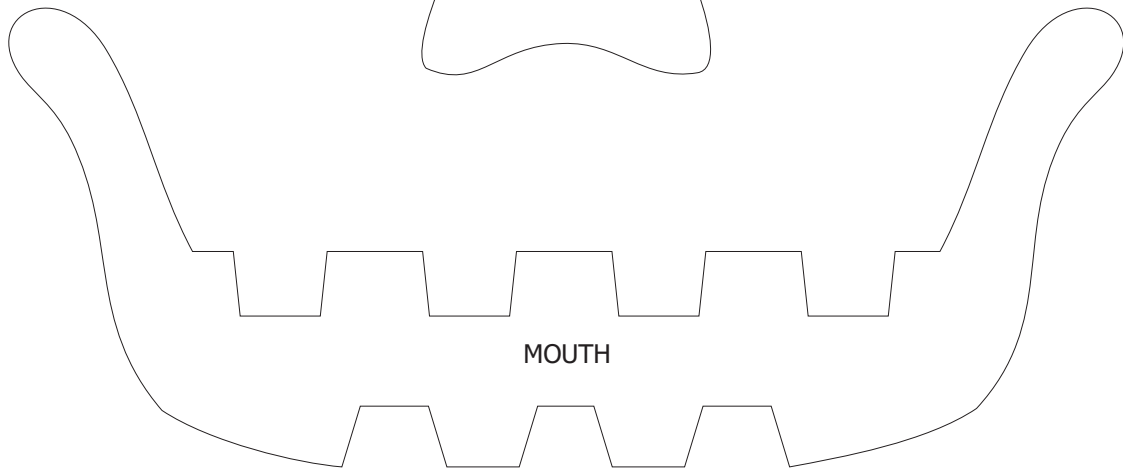

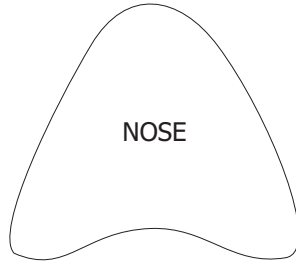

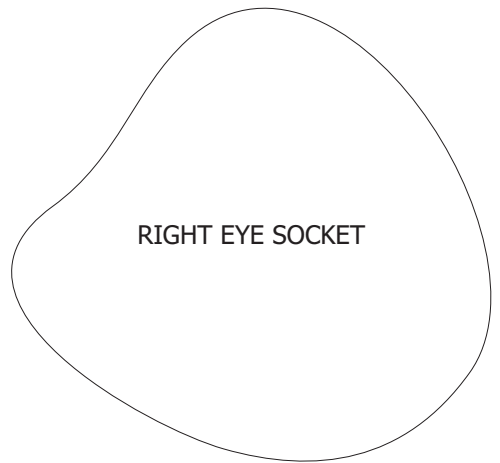

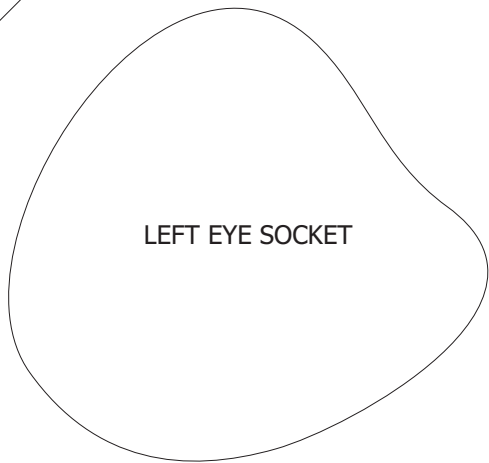

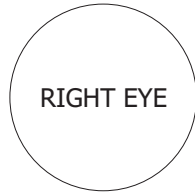

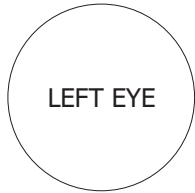

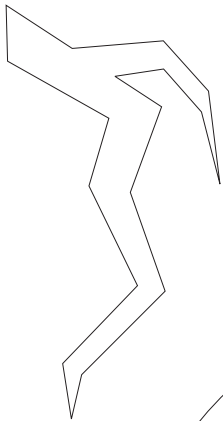

Handles
(4 per bag)

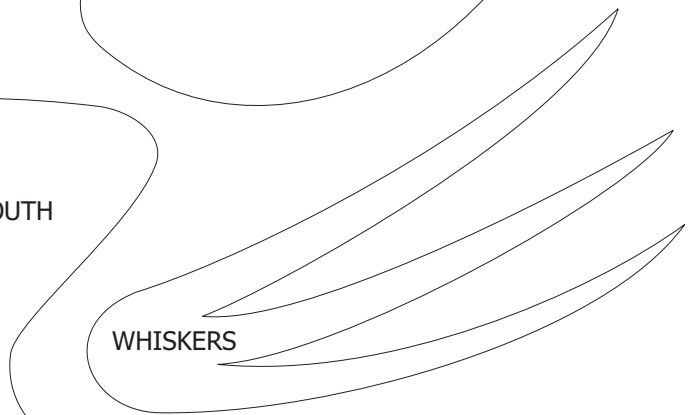

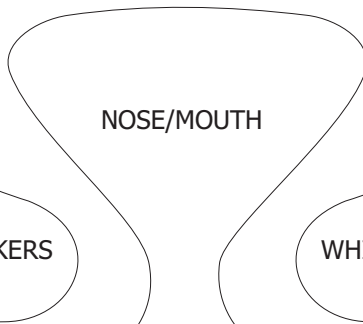

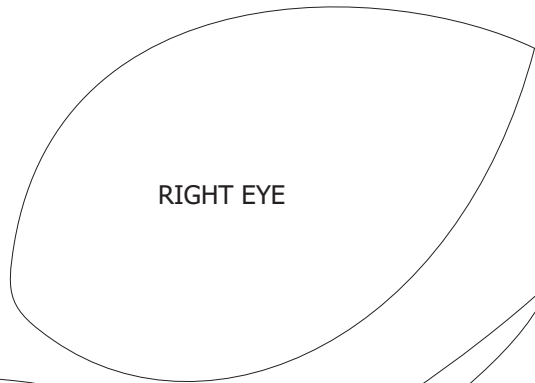

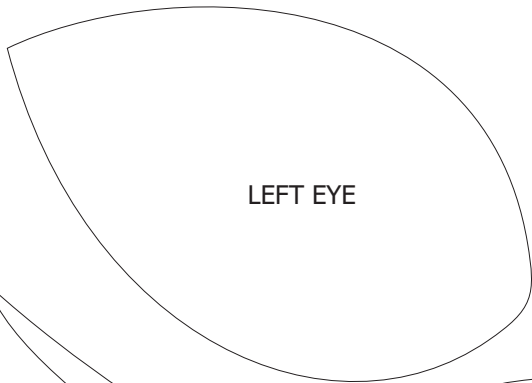

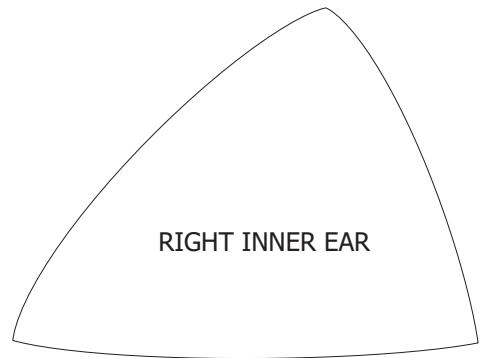

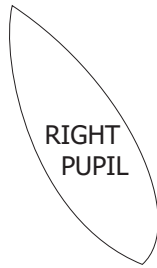

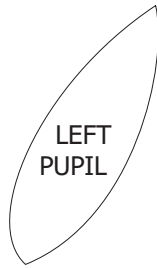

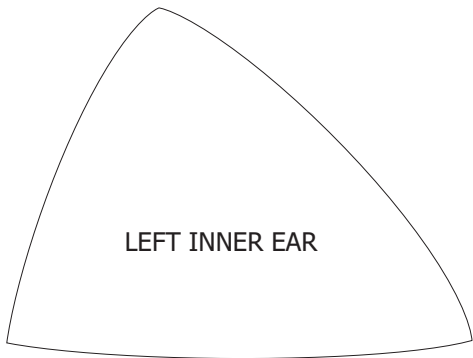

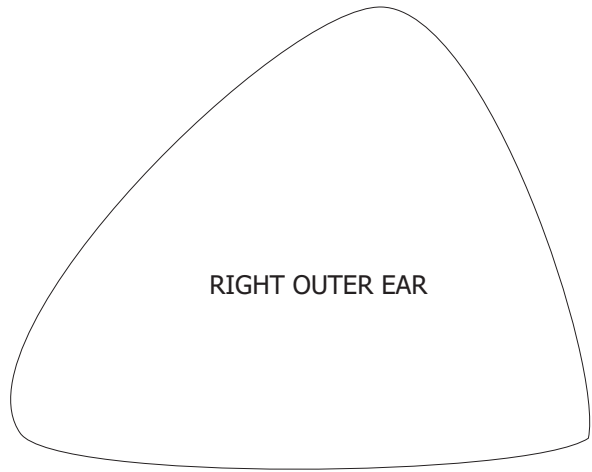

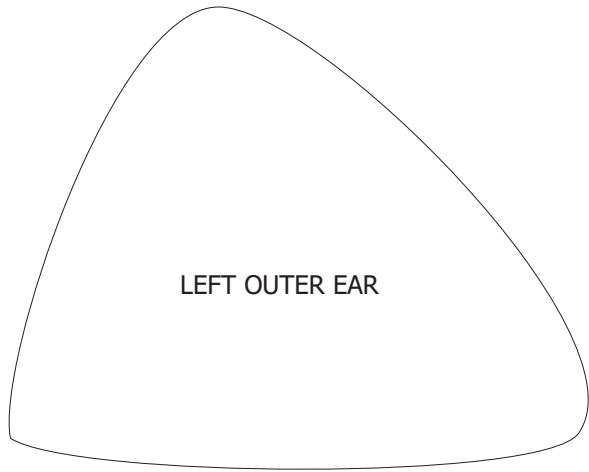

Sides/Bottom
(Cut fabric should be 20" long)

Place along folded edge of fabric

TEMPLATES | Trick or Treat Bags | Witch

Note: We doubled the nose and wart for more prominence and used pipe cleaners for the hair. We pierced the pipe cleaners through the bag using the tip of an exacto knife, bent the ends of the pipe cleaners over and secured them with thread. We also tacked the top of the hat to the handle with thread at the tip and each side. The brim of the hat and hat band were sewn to the bag with a sewing machine.
